Autor/ Interpret: **Kristina Beyer, Oldenburg**

Titel: **Let the earth be part of your heart**

### Text:

#### Vers:

She's bleeding, she's aching, she's stumbling and is breaking  
but she's one of a kind.

We're hurting, destroying, we're stealing and denying  
What are we doing? Are we blind?

#### Bridge:

And she's spinning round and round  
but not just for you and me  
She's a mother, a goddess, a beauty queen,  
So, would you please set her free.

#### Chorus:

Let her breathe, let her live.  
She's got so much to give.  
Let the earth be part of your heart.  
(I know we can, so let us start!)

#### Vers:

When the skies turn red and the forests fall,  
when the streams run dry, then help us all!  
When the dolphins die and the seas run grey,  
and the tide is high on another day.  
From the highest mountain to the valley low  
there'll be no place to hide. And don't we know  
that we could have stopped this long before?  
But our greedy business : „We want more“.

#### Bridge

#### Chorus

#### Break:

... let us start!  
If we all stand up in the name of love  
we could make this world a place we're dreaming of.  
Where the hills are green and the skies are blue,  
We can make a change. It's up to you! It's up to you!

#### Chorus X 2

#### Outro:

She's the only one we've got, so won't you treat her right?  
Let the earth be part of your heart, part of your heart, your heart!
